FRUIT TRAIN SIX MILES IN LENGTH

Over Eight Hundred Cars Loaded with Adams County Apples Shipped Last Fall would have Made Immense Train. Other Fruit.

A freight train more than six miles long would have been required to haul all the apples shipped from Adams County in 1910 had all the fruit been shipped at one time. Eight hundred and twenty five carloads of the luscious apples were shipped from this county in the past year as against 690 cars in 1907, the former banner year. Twenty thousand more barrels were shipped in 1910 than three years previously.

In 1910 there were shipped from this county 67,219 barrels of apples in barrels while 56,558 barrels of the fruit were shipped in bulk making a total of 123,777 in all. The total in 1907 was 103,538 made up of 42,517 barrelled fruit and 61,022 in bulk, also showing the increasing percentage of barrelled fruit shipped.

The apple output in the county has increased 356 per cent since 1903.

Bigerville holds the record for the number of carloads shipped, 144 cars having been sent from that place. McKnightstown is next with 107 1-4. Other places contributing large shipments were Guernsey 86 carloads, Orrtanna 82 carloads, Bendersville, Gardners, Starner and Goodyear.

The county also shipped sixty one and a half carloads of potatoes, only one and a half cars less than 1907. Five hundred bushels are counted to the car.

Bigerville shipped in addition to the apples in barrels and in bulk 43 cars of canned apples, 5 cars of evaporated apples and 4 cars of cider syrup.

The peach growing industry is showing an exceptionally healthy condition, the shipments amounting to 18 carloads while reports show that 10,000 baskets were grown and marketed in addition to the shipments. Four carloads of pears and one of cherries were shipped from the county during the year.

The Fruit Growers' Association has just issued its most handsome book giving the proceedings of the annual convention and a resume of the work and products of the past year. It is complete in every detail and illustrated with half tones showing views in county orchards and of county grown fruit, together with other pictures of interest and value to those engaged in the fruit growing industry.

Greencastle's Rescue Hose Co. extended the invitation and it was unanimously accepted. The delegates will hold a business session during the day and will be entertained by the Greencastle firemen.

It is probable that the Rescue Company will arrange for some additional form of entertainment. There may be a band concert or a parade of firemen. This, however, rests with the Greencastle company. It is certain that there will not be any of the large demonstrations that have accompanied some of the past conventions.

HERMIT MUST PAY BIG TAX

Banker Who Lives on Yacht Liable For \$50,000 a Year.

London, March 31.—M. Bayard Brown, late a New York banker, who for twenty years has lived aboard his steam yacht Valfreya, anchored by two cables 200 yards off shore in Brightling sea harbor, was adjudged liable to an income tax on \$50,000 a year.

Brown pleaded that he lived abroad as an American citizen and therefore not liable to taxation.

The judge held that the yacht was anchored in a place within the borough of Colchester, and it was a place of residence, therefore its owner was liable to an income tax.

Brown keeps the yacht always ready for sea, with a crew of thirteen men, who take regular watches. The yacht, however, has not been to sea in over twenty years, and Brown has never left her in that time. It is feared that this judgment will compel him to leave his anchorage, in which case his crew probably will desert, as they say, the Valfreya is falling to pieces.

RECORD YOUR DEEDS

By an Act of Assembly of 1893, "All Deeds and Conveyances shall be recorded within ninety days after their execution, or shall be adjudged fraudulent and void against subsequent purchasers."

Also the Act of Assembly of 1909, prescribes a short form of Deeds, and "again requires the recording to make them valid."

It is also a great protection against loss or deed being burned by having them recorded, and costs but a small sum, compared to getting a new deed.

Bring or send them into the Recorder's office, and in a few days they will be returned to you.

Weak and Diseased Hearts Treated Free

By the Great Specialist in Treating Weak and Diseased Hearts, FRANKLIN

MILLS, M. D., LL. B. Who Will Send \$2.50 Worth of Special Treatment and new Book Free.

To prove the remarkable curative powers of his new Special Personal Treatments for heart disease, short breath, pain in side, shoulder and arm, oppression, irregular pulse, palpitation, smothering, puffing of ankles, or dropsy, Dr. Mills will send free, to every afflicted person, a \$2.50 treatment. The worst cases usually soon relieved.

These treatments are the result of 25 years extensive research and remarkable success in treating various ailments of the heart, stomach and nerves which often complicate each case. So astonishing are the results of his treatment that he offers all sick persons a two-pound Trial treatment free. Our Book contains many remarkable cures. A few are given below:

Certainly nothing could be more generous. Few physicians have such confidence in their treatments. All afflicted persons should avail themselves of this liberal offer, as they may never have such an opportunity again. Delays are dangerous. No death comes more suddenly than that from heart disease.

Mr. W. J. Critts, Ludington, Mich., cured after 4 physicians failed; Mr. George Lee, Maxwell, Ia., Mr. P. W. Runyon, Spencer, Iowa, and Mrs. Emma Scherer, Wichita, Kansas, each cured after 3 physicians failed; Mrs. Joseph Widner, Peru, Ill., cured after local doctor failed; Mrs. J. P. Baldwin, Mulberry Grove, Ill., cured after failed. Cures from your state sent on request. Many cured after 5 to 20 physicians had pronounced them incurable.

See also Dr. Franklin Miles, Dept. 505 555 Main St., Elkhart, Ind., at once, for his Free Book, Examination Chart, Opinion, Advice and Free Treatment. Describe your disease.

I Want To Remind you that I am still in the Cleaning, Dying and Pressing business will also take orders for the well known Wanamakers and Brown order made clothes.

What About Your Easter Suit?

Easter comes late enough in April to permit us to enjoy Spring weather--then why not attend to the matter of the purchase of a Spring Suit NOW. We are showing the most complete line we will be able to show this season, as every day lessens the assortment.

Conservative Suits of good Black and Navy Serge. Well tailored--attention paid to all little details of proper revers, buttons, &c. Also Fancy Grey and Hair Line in Navy and Black--all in correct length of coats and gore plaited skirts. No two suits exactly alike--all well lined--\$12.00, \$15.00, \$16.00.

Special \$23.50 Suits

Every one of which would be priced \$25.00 and \$27.00 in any city store. Elegant grade of Serges in Navy and Black, Fancy Tweeds, or the very attractive Hair Lines. Jaunty Jackets, elegantly lined, with gore plaited skirts mostly. Some are especially smart with a bit of fancy braid or color while others show their class by their plain but splendid tailoring at pocket, collar and cuff.

TUB DRESSES

We are glad to announce the arrival last week of over 100 White Lingerie, Fancy Lawn and Gingham Dresses. Never have we shown such a great variety or such beautiful styles as this season. Styles that are designed in cut and trimming by experts "who live and move" with dress style in their thoughts—who visit the Fashion Centres of the world and work out adaptations for the diversified tastes of the United States. In looking over our stock you see just how they look ready to put on, which most people cannot see in their mind's eye when materials are bought by the yard. Then too—there is the fit—and the price—Look at the dresses, calculate the quantity and price of the materials, trimmings—and the cost of dress-making—plus the style—that few dress makers can give you, and you will see how much is gained.

Dresses at \$2.00, \$3.00, \$4.00, \$5.00 to \$10.00.

White Lingeries, at \$2, \$3, to \$8.50.

Handsome White French Lawns, richly trimmed, at \$9 to \$22.50.

NOTE—These garments are under the well known Acorn Brand. A personal inspection of this factory found it as clean as your own dining room with operators intelligent and refined in appearance and dress.

For The Girl Graduate

It isn't too soon — especially if you must have the services of a dress-maker, to look after the purchases of the dress and accessories for this very great occasion. Every right kind of materials are now on our counters. French Batistes, French Lawns, English Sheer Nainsocks, Persian Lawns, Flaxons, Fancy and Plain Marquisette Weaves — and many others. In addition to the advantage of having so great a choice of fabrics—there is every right kind of lace and trimmings that the fashion dictates — or your own taste suggests.

Every piece of White Goods named, as well as Trimmings was bought direct from the Importer — that means a saving in price to you.

Also all the little necessities — such as gloves, White Hose, Fans & etc — are to be had at less than the usual of most stores.

San Toy Poplins

Specially adaptable for the gown for either street wear in May or June, or the house and church. Light in weight, soft in texture, beautiful in finish and colors, Black, Navy, Bamboo, and several other colors, the goods are 44 inches wide. Our price \$1.00.

Many other equally desirable fabrics.

Marquises

What are they? A real Marquise is an all Silk fabric resembling Grenadines. They are worn over a silk lining, and many an old silk is resurrected and made do second duty by covering it with Marquise, for either a full gown or separate waist. Plain Blacks, Blacks with woven Stripe all Black, and Black with White woven stripe, 42 inches wide, \$1.00.

Fancy colors such as Helio, Helen Pink and others, 42 inches wide, \$1.

Cotton and Silk and all Cotton Marquises

we show in greatest variety of colors, with woven stripes or plain. These goods can be used over White or Colored linings, and the line embraces every price.

All White, woven dotted, Marquise
 elegant materials for the girl graduate, bride's maid or other dressy occasions. Special Lace Bands and Edges for their adornment and finish, 50 and 60 cts. per yard.

DRESS SILKS

We announced in a recent advertisement our complete readiness for the Silk demand we felt sure would come. We have already been compelled to duplicate several staple patterns of Foulards, which easily lead in the selling.

We here repeat, what we said in a recent advertisement, that our Silk fabric stock exceeds in assortment that of all the Adams County stores combined. In addition to the great variety of patterns and colors of Foulards, at the variety of prices of from 50 cts., to \$1, are the Fancy Striped and Checked Messalines in the beautiful new Spring colors of Alice, Helen, Coral, Reseda and every staple shade, 24 and 26 inch width, 75 cts. and \$1. Special 36 inch width \$1. Elegant quality and finish of Messalines, in the richest plain colorings and changeables, at 85 cts. and \$1, 26 inches wide.

One of the most popular fancy Silks is Black and White Hair line Stripes and Checks, Louise and Taffeta weaves, Prices 75 cts. to \$1 for the 26 inch width.

Special stripes and shepherd checks, a yard wide at \$1. These Silks are worn by maid and matron, and trimmed with a bit of color like Coral or Helen Pink, in addition to Laces or Embroidered Bands in Persian Colors, there are few colorings that make up as dressy as these Black and Whites for elegant occasions.

Use the Mail or Telephone

Our clientele extends over a great radius, having had customers quite often from Carroll and Frederick Counties, Md., and many more would like to avail themselves of our great stock, but for the distances, to all such we say, Use the Mails if not on our Telephone line. We will gladly send you samples of anything that can be sampled, or ship you any goods you desire to order. All being subject to your approval.

An Anatomical Puzzle.

It was Pat's first attendance at a meeting. When the chairman announced as the result of a vote that there were 42 noes and 21 ayes Pat began to fidget in his seat and then got up and started for the platform.

"Sit down there!" yelled the chairman.

"No, begorra," said Pat, "not until I look this audience in the face. I want to see them humans what has more noses than eyes!"—Judge.

Something In a Name.

In one place at least the rose is not permitted to "smell as sweet by any other name," and that place is Scotland.

An attache of the American embassy at London tells of a stranger presenting himself to play golf at North Berwick, seeking out some one in authority upon the matter.

"What name?" asked the dignified official.

"De Neuville," the stranger replied.

"Mon," said the official in a tone of disgust, "we canna bother oursels w' names like that at North Berwick. Ye'll start in the mornin' at 10:30 o'clock to the name of Fairguson."

So far as his ever being or any use in the world, a small boy might as well tie a forty pound rock to his neck and jump into the nearest pond as to let the cigarette habit get its clutches on him.
